CAHPR GREATER MANCHESTER BULLETIN

AUGUST 2023

Welcome

Welcome to all our GM CAHPR members.

The GM CAHPR hub had its first face-to-face committee meeting recently to get to know each other and plan research support across Greater Manchester AHPs.

We wanted to introduce ourselves and show the diversity in AHPs across our committee:

- Claire Howard (Co-lead/ chair) - Orthoptist
- Justine Theaker (Co-lead/ chair) - Physiotherapist
- Siobhan Ludlow – Speech and Language Therapist
- Mark Jayes – Speech and Language Therapist
- Jemma Haines – Speech and Language Therapist
- Katy Boland – Physiotherapist
- Claire Bamber – Physiotherapist
- Sarah Prenton - Physiotherapist
- Maria Barrett – Dietician

And to our newest member.....

Jim McStravick – Research Radiographer

Bursary Update

The CAHPR North West consortia received 15 bursary applications in 2023. 10 of these were from the GM region which was fantastic to see how research active teams are. Unfortunately, only one bursary was able to be supported on this occasion. All unsuccessful applicants should have received an email to offer GM CAHPR hub support for their projects and identify committee members best placed to support them to apply for further funding. **All future bursary opportunities will be shared in due course.**

Upcoming Events

Free AHP research webinar – Working on other people’s research **October 10th 17.30 – 19.00**

<https://www.eventbrite.co.uk/e/working-on-other-peoples-research-free-ahp-research-webinar-tickets-695833505747?aff=oddtcreator>
