

Steps to Success in Research for Allied Health Professionals: Exploring Training, Support and Funding.

We invite you to attend an event focused on:
Building AHP Research Opportunities: where to get started and how to build a successful proposal

When: Thursday 6th March 2025 3.00pm-6.00pm
Where: Bournemouth Gateway Building, Bournemouth University

Purpose: The South Central CAHPR hub is delighted to invite attendees to an event supporting allied health professionals into research opportunities. This will be hosted by the team of facilitators from the south coast and is aimed at anyone who is interested in getting started in research or taking their clinical academic ambitions to the next level. The event is designed to support a range of individuals, including those just starting in their research journey to individuals with more research experience (pre-doctoral).

3.00pm -3.15pm Registration with tea/coffee and light refreshments
3.15pm – 4.30pm - CAHPR South Central Facilitators ‘*a comprehensive summary of the funding landscape, and local and national opportunities to get involved in research*’
4.30pm – 4.50pm - Reflections from a research internship
4.50pm - 5.10pm - Reflections from a clinical academic with PhD
5.10pm - 5.30pm - Networking: Meet the academics and discuss your own research ideas with the faculty research active staff.
5.30pm – 5.50pm – Workshop Summary
5.50pm – 6.00pm – Close

Target Audience: AHP Clinicians
